

# Issues in e-Government The Approach

K. Sriram

Sita Vaka

Jaijit Bhattacharya

The purpose of ICEG is to help set the agenda for IT enablement of the society

Towards this goal, ICEG2007 has collated the relevant issues that are hampering a faster adoption of ICT in the country

ICEG2007 hopes that the issues identified based on the inputs and recommendations from various stakeholders and practitioners would help in accelerating the process of ICT adoption, from “DREAM TO REALITY”..

- Issue Co-Chairs:
  - Mr. K. Sriram, VA Solutions (P) Ltd
  - Dr. Sita Vanka, University of Hyderabad
  
- Issue Owners
  - Dr. Piyush Gupta, NISG
  - Mr Mohan Datar, ABM India
